2021 MONDAY NIGHT GOLF LEAGUE

League Rules, Format, and Information

I. Entry Fee

The Entry Fee is \$40 per player

Every participant will receive a prize/award/gift and season-ending cook-out at the conclusion of the league season on Monday, August 23.

II. League Schedule

The league will be on Mondays for 13 weeks starting Monday, May 17 ending Monday, August 23, excluding May 31 & July 5. Teams are asked to arrive by 4:45, meet together at 4:55 near practice green, and shot gun start at 5:00. The league will alternate playing the front nine and back nine.

III. League Golf Fee

Those who are full members of the Frankfort Commons will only pay the entry fee and members without cart will only pay \$5 for cart and entry fee; all others will pay \$13 for green fees and cart each week and entry fee.

IV. League Format/Scoring/Rules

1. The league is open to men and women of any skill level and at least 18 at the beginning of the league on May 17.
2. Tee: Each participant may play the tee they normally play with the requirement that he/she play from the same tee the entire league season.
3. Format: The format is 2-person team Scramble. Each player hits a tee shot. The best is selected, and each player hits a shot from that point. This format is repeated until the ball is holed. Please pick up after second putt is played from green to speed up play (3 PUTT MAX). The maximum score for a hole is a triple bogey.
4. Rules:
 - a. Through the green the ball may be played up to 1 club-length no nearer the hole. At no time may the ball be moved from rough to fairway or onto the fringe of the green, from fringe to green, or from a penalty area.
 - b. You may rake and place when playing out of sand.
 - c. Out of Bounds, all water features, natural areas, tall grass, & wooded areas shall be played as a Penalty Area with one penalty stroke assessed. Drop 2 club-lengths from the point of entry.

5. Handicap/Scoring: When players sign-up they will need to record their FRONT 9 average score. Please be honest so matches can be fair and competitive! If you feel that your average changes during the season please let the Pro Shop know. Handicaps will then be determined by subtracting 35 from your average score with a maximum handicap of 18. Then partners' handicaps will be added together to determine the team's total handicap and then divided by 2. As two teams compete against each other in any given week, the different between the teams handicap will be the number of strokes the higher handicapping team will subtract at the end of the 9 holes. Example: Bob and Joe are a team, with a team handicap of 12 after dividing by 2. Phil and Betty are a team handicap of 9 after dividing by 2. When their teams complete Bob and Joe will subtract 3 strokes from their ending score. The team with the lowest score will receive one point. If tied, both teams will receive ½ point.
6. Official Score Card: Each team will be required to utilize an "Official Card" for each league round. This card will be returned to the Pro Shop upon the completion of the round.
7. Weekly Individual and Team Contests with prizes.
8. Inclement Weather: If weather does not permit play or we cannot finish play, teams are asked to reschedule within 2 weeks.
9. Subs: Subs can sign-up as well, include your average 9-hole score on the FRONT nine to establish a handicap. Subs do not pay the entry fee but do pay for green fee and cart. If a team player cannot play a certain week(s) they can contact a sub to play for them. A team can still play with only one player but will not be able to win any points. We will need lots of subs! A list will be made available to contact.
10. League results and standings will be posted weekly online and in the Pro Shop.
